**MEMORANDUM OF CONVERSATION WITH RICHARD ARENS OF  
THE HOUSE COMMITTEE ON UNAMERICAN ACTIVITIES**

25X1 [redacted] Mr. Arens called Mr. Dulles re the present status of the defector. He said that Mr. Dulles would recall that the Committee had tried previously to set up a time for the appearance of this defector, and at that time had been told that he was still being interrogated by the Intelligence Community and that when this was completed, he would be made available to the Committee.

Mr. Arens said it seemed to him that the Community had now had ample time for this, and that the Committee could now proceed with plans for his appearance. He said he would appreciate it very much if the Director could look into this and "jack them up a bit."

The Director promised to get to work on it immediately and to advise Mr. Arens promptly re the status of this matter.
